

MAQUISARDS CALVADOS

Huard Millésime 2008 | 2024 Edition

This sixteen-year-old Calvados was discovered in Michel Huard's cellar, ageing in a 220L barrel. Fortunately, Independent bottler Maquisard uncovered the forgotten barrel, which still contained 50 litres of the precious liquid, and bottled it in 2024. For seven generations, Maison Michel Huard has been crafting vintage Calvados in their historic family estate in the Pays d'Auge, using apples from their high-stem trees cultivated in a 15-hectare orchard. - Appellation: Controlled Calvados - Producer: Maison Michel Huard - Made from 30 Varieties of Cider Apples - Bittersweet, Bitter & Tart - Cellar No.6 - Single cask: 176 - Unfiltered - Natural colour - Limited edition with 80 numbered bottles - Distilled in 2008 - Bottled in November 2024
