

MARIA PASCUALA EXTRA AÑEJO

Tequila | 100% Organic Blue Agave

A fine extra añejo tequila aged for four years in Bordeaux wine barrels. Maria Pascuala Extra Añejo is double distilled in steel and copper stills, filtered through ceramic and coal in order to release the flavours of pure agave. The bottles are hand-blown and numbered by local artisans using recycled glass. Maria Pascuala Tequila is a true testament to Mexican authenticity.
