

PORFIDIO THE ORIGINAL 2008

Añejo Extra 5 years | 100% Blue Weber Agave | 5L

Porfidio Añejo Extra "The Original 2008 Super Jalisco Edition" is crafted from 100% Blue Weber agave, sourced from a single origin and vintage in Jalisco. Unlike traditional tequila, which typically uses heat to extract sugars from agave, Porfidio employs enzymes for this process, resulting in lower methanol content and a purer agave flavor. Its unique approach and distinctive profile have made Porfidio one of the most celebrated and debated spirits from Jalisco and often regarded as a pinnacle in agave craftsmanship. Aged for five years in a single, hand-toasted Oak Barrel. During the final ageing stage, it partially matures in the ocean through a process known as Tour-Du-Monde.

Tasting notes

Taste

This double-distilled spirit is renowned for its aromatic agave character and exceptional elegance, achieved through innovative production methods.
